

## Press Release

---

Haddonfield NJ

10 September 2007

Alpha3 Principal Ron Pacitti is serving on the ELECTRIC POWER 2008 conference organizing committee and will chair EP08 Track 7 - Gas Turbine and Combined Cycle Power Plants. The conference will be held May 6-8, 2008 at the Baltimore Convention Center. This is the 10<sup>th</sup> anniversary year for the conference.

### About Alpha3 Consulting, LLC

Alpha3 develops and executes processes for its clients to better control and manage the design, procurement and construction process for capital projects. Alpha3's engineers and project managers specialize in developing robust cost and schedule controls to ensure the successful completion of projects. Alpha3 works with its clients to improve or eliminate processes that increase risk, and to capture and repeat processes that reduce risk.
