Haddonfield NJ

21 February 2008

2008 Conference Presentations Update

Ron Pacitti and Mark Sanders will present Alpha3's full-day course *Practical CPM for the Contractor and Owner* as a pre-conference seminar on Monday, May 5 at the ELECTRIC POWER 2008 Conference. Ron Pacitti will also chair the Gas Turbine and Combined Cycle Power Plant track at the conference. The conference will be held May 6-8, 2008 at the Baltimore Convention Center. This is the 10th anniversary year for the conference.

Mark Sanders will co-host a "town hall meeting" at the Project Management Institute's College of Scheduling Conference. The conference will be held May 5-7 at the Drake Hotel in Chicago. The town hall meeting is part of the PMI-COS Scheduling Excellence Initiative and will provide a forum for discussion of the development of the SEI Schedule Impact Analysis Guide.

Mark Sanders will present his paper *Forensic Schedule Analysis: Example Implementation* at AACE International's 52nd Annual Meeting & ICEC's 6th World Congress on Cost Engineering, Project Management and Quantity Surveying. The conference will be held at the Sheraton City Centre Hotel in Toronto from June 29-July 2. The paper is based on concepts presented in AACE's Recommended Practice on Forensic Schedule Analysis, published in 2007.

About Alpha3 Consulting, LLC

Alpha3 develops and executes processes for its clients to better control and manage the design, procurement and construction process for capital projects. Alpha3's engineers and project managers specialize in developing robust cost and schedule controls to ensure the successful completion of projects. Alpha3 works with its clients to improve or eliminate processes that increase risk, and to capture and repeat processes that reduce risk. For more information, visit www.alphathree.com.
