## ESTABLISHED IN 1956, AACE IS THE PREMIER ORGANIZATION FOR TCM PROFESSIONALS.

The Mission of AACE is to help members drive projects to completion on time and on cost to meet investment and operational goals. We arm our members with the technical tools and expertise to support successful projects and programs.

Established in 1956, AACE is the premier organization for Total Cost Management (TCM) professionals. With 10,000 members in 100 countries, AACE International is committed to the constructive exchange of ideas between members, development of technical guidance and quality education and recognition of subject matter experts. Our members work in a variety of disciplines and across all in

AACE Region 2 Northeast Symposium is an annual regional conference focused on the advancement of TCM framework and project controls.

Attendees will participate in a variety of technical presentations and workshops on project and program management, TCM and project controls tools and techniques. We have speaker commitments from Owners, Contractors, Executives, Architects, Managers, Engineers, Leaders in Technology, and other professionals from a wide variety of industries.

The conference will also feature networking sessions and opportunities to establish new partnerships and nurture existing relationships.

2026 marks our tenth annual AACE Northeast Symposium - you don't want to miss this event's big milestone!
